OFFICE OF PETITIONS

In re Application of Que Thuy Tran et al Application No. 10/734,448 Filed: December 12, 2003 Attorney Docket No. 7324-US

: DECISION GRANTING PETITION

UNDER 37 CFR 1.137(b)

This is a decision on the petition under 37 CFR 1.137(b), filed April 9, 2007, to revive the above-identified application.

The petition is GRANTED.

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Since the statement contained in the instant petition varies from the language required by 37 CFR 1.137(b)(3), the statement contained in the instant petition is being construed as the statement required by 37 CFR 1.137(b)(3) and petitioner must notify the Office if this is **not** a correct interpretation of the statement contained in the instant petition.

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of the issue and publication fee; (2) the petition fee; and (3) the required statement of unintentional delay have been received. Accordingly, the reply to the Notice of Allowance action of December 6, 2006 is accepted as having been unintentionally delayed.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3208.

This matter is being referred to Patent Publication.
